The Donovan Hatem 2008 Design Professional Roundtables

Donovan Hatem LLP is pleased to present the topics for our 2008 Design Professional Roundtables.

This marks our 16th year, providing the design and construction management professional community with a forum for education and discussion on timely, relevant topics including risk management, liability, trial, and general business matters, to name a few. We are pleased to provide this opportunity for mutual professional business development, and we are proud of the scope of expertise represented among our growing roundtable audiences in Boston and in New York.

We hope you will join us as we explore these various topics and exchange ideas in the upcoming months.
